

Adult Hoodies Size Chart

Important!

It is **very important** that you take the time to measure an existing garment that fits you the way you like to find your size. As our garments are made to order, we cannot swap or refund your garment if you choose the wrong size.

You can not assume that your size in our range will be the same as a garment from another supplier.

How to measure

1. Take a garment you own and lay it flat. Smooth out the garment, but ensure it is not stretched.
2. Measure 1/2 chest from left to right 1cm underneath the arm pit
3. Measure the length from the top of the shoulder to the bottom of hem
4. Match these measurements against the size chart to determine the size to order.
